Greetings of the day in the name of our Lord and Savior Jesus Christ. I am Tamir – Teacher Coordinator for CAC project and ministry in Sukhbaatar Aimag. I joined Mongolia V.E.T. Net in 2002 after graduating Teacher’s University as an Art teacher. I am very thankful for the Gift of Love ministry. Gift of Love is a highly effective project and ministry for sharing about God with nomadic Mongolians. Why? Because it is talking about the Good Shepherd. I am so thankful for your partnership – faithful prayers and giving hearts.

Gift of love started in 2017 in Sukhbaatar Aimag, Munkhkhaan County. At that time, the local church was not very active. When we started GOL the local church reached out to many people with the Good News message of Jesus Christ and many believed in God. Bringing

GOL in Sukhbaatar Aimag gave us opportunities to partner with the local church at the Aimag Center, the town of Baruun-Urt. Four brothers and sisters in Christ from this church teamed up for a mission to share their faith with the rural people in this area. This team was led by a lady named Kherlenchimeg. This team visited our GOL recipient families in Munkhkhaan to follow-up with our message. As they rotated through these families, two families decided to believe in Jesus. This conversion brought a revival and hope to this local church.

One of the new converts was Unur. I am saying “was” because she is not with us now. She is with God. She was widowed many years ago and had chronic health problem – her leg was not functioning

well. As we brought her the 4 sheep she was so happy and emotional. That day we shared with her about God who created us and breathed life into us. Unur believed in this message and we together prayed to invite Jesus in her heart. Since then, she often joined the local church for worship service and Bible Study. Sadly, her leg illness was a challenge for her. Therefore, the local church leaders used to visit and fellowship with her. In the spring one of the gift sheep had twin lambs. It is very rare to have twin lambs. Unur was so excited and grateful for this gift. The twins grew

in body and Unur was growing in faith, also the local church believers were growing in number.

As I mentioned previously, Unur is not here with us. She is in heaven. I am sad because she is not with us but I am happy because she is in heaven. The gift of love gave her the ticket to heaven. We thank you for your gifts of love and prayers.

Saruul and Aldarmaa from Baruun-Urt have teamed up Darimaa from the Munkhkhaan church and rotate through the rural county churches in Sukhbaatar Aimag. As they visit the families who were blessed with the GOL they continue sharing about God, telling them to think about Jesus. I thank God for these three sisters in Christ. While I am “locked down” in Ulaanbaatar city, because of the quarantine, these ladies are tending Jesus’ sheep in Sukhbaatar Aimag. We are keeping in touch by phone and sometimes through Facebook.
